

MY EXPERIENCE AS BHABHA HOUSE VICE CAPTAIN

Leadership is the capacity to translate vision into reality Bhabha house signifies the great work of great freedom fighters. It was a dream come true for me, to

become Bhabha house vice-captain. I thank my teachers and my headmistress to making my dream come true. I had taken my responsibility serious and doing my duties to best of my knowledge and capacity.

I feel complete and satisfied when I saw my house member enjoy my presence with them. Their love makes me become more responsible. It has thought me a lot to make a better future. The year 2022-23 was an eventful and remarkable one. Each and every student had put his/her best effort to ensure the success in whatever they participated.

Our patron St. Joseph has blessed our faith in him with wonderful victory and journey.
