

# POLLUTION

Pollution is harmful, it is bad for all living beings. Air and water pollution are worst. They cause diseases and global warming.

It is bad for the earth

We should not use plastic

We should reuse waste

I see the leaves and trees drying

And the burnt fallen leaves laying

I wish that it stops soon

Otherwise we'll have to take refuge on the moon

Plant trees and take care of them.

**SAVE THE NATURE**

**SAVE THE EARTH**
