

## MY EXPERIENCE AS A CLASS LEADER

**“It is always hard work that given you result. Talent and interest are just stairs that take you towards start of journey of success”.**

**School is not an infrastructure or a building to visit for a few hours for fun and enjoyment, instead it is a factory where perfection is created with zeal.**

**I was extremely pre-eminent that I hold the esteem position of a class leader of SJIPS.**

**In my 6th std. I was selected as the class leader.**

**The encouragement given by the class teacher gave me the confidence to be the class leader.**

**Discipline, sincerity and kindness are the pillars on which my ideals we based on, and as a leader, I have done my best to inspire others with it.**

**Foe me, being the class leader was not about that position or the little was about action and example that makes a difference.**

**My special word of thanks to my class teacher for guiding me all through the academic year 2022-2023.**

**My first duty to send all the students wondering on corridors and playing in ground to enter their respective class rooms.**

**My sincere ward of gratitude to my classmates for their support to me.**

**“Before you are a leader, success is all about growing yourself, when you become a leader, success is all about growing others”.**
